▶ 1. Introduction

All fees in this document are in Canadian dollars and are based on total number of shares traded per month, unless otherwise specified. Capitalized words and phrases used but not defined in this document have the respective meanings given to them in the NEO Exchange Member Agreement and NEO Exchange Trading Policies.

All fees in this document are governed by the NEO Exchange Member Agreement.

This document provides information about all fees applicable to trading on NEO Exchange. The fees in this document apply to all Members and do not include connectivity fees (governed by the NEO Exchange Connectivity Services Agreement) or market data fees (governed by the Cboe Global Markets Global Data Agreement), which may or may not apply depending on the specific Member's setup.

▶ 2. Membership Fees

All Members are subject to a membership fee of \$1,300 per month. At the time of application, a non-refundable one-time application fee of \$3,000 will apply. The application fee and the monthly membership fee is subject to GST/HST.
